

# SHEN YUN

Through breathtaking dance and music, Shen Yun's artists tell of a time when divine beings walked upon the earth, leaving behind a culture that inspired generations.

*"An explosion of color and sound...Chinese culture in its fullest flower."*

## 5,000 Years of Civilization Reborn

Ancient Chinese wisdom, infused with Buddhist and Taoist spirituality and values, gave birth to everything from medical innovations to opera, dance, architecture, and even martial arts. But after decades of communist rule, much of this divinely inspired culture has been destroyed or forgotten.

# SHEN YUN

Through breathtaking dance and music, Shen Yun's artists tell of a time when divine beings walked upon the earth, leaving behind a culture that inspired generations.

**Shen Yun is a brilliant artistic revival and celebration of China's rich cultural heritage.**

Each performance consists of about 20 pieces, quickly moving from one legend, region, or dynasty to the next. Themes range from the delicate elegance of Tang court ladies to the battlefield heroics of valiant generals, from the timeless philosophical works of Lao-Tzu to spectacular scenes of magical realms. Some pieces also touch upon the topic of today's China, shedding light on the oppression many experience for their spiritual beliefs, such as Falun Dafa. These tales of courage are often what audience members find the most touching and uplifting.

**What is so special about Shen Yun?**

At the heart of the Shen Yun performance is an incredible art form known as classical Chinese dance. With its flips and gentle elegance, it is one of the most athletic and expressive art forms in the world. Classical Chinese dance dates back thousands of years.

**Visit [shenyun.com](http://shenyun.com) for more information about the 2024 performance!**

All reservations should be made payable to Adventures with Karyn
